

A clean corridor helps everyone to thrive!

To bear in mind every day, for everyone:

- Wash up crockery, glasses, saucepans and utensils immediately after use.
- Put back dry items in cupboards and drawers.
- Wipe down surfaces such as draining board, worktops, cooker and tables.
- Empty the sink and throw away food waste.
- Sort your waste.
- Ensure that no objects are blocking the corridor.

To bear in mind every week, for the person responsible for cleaning:

- Take the sorted waste to the waste station – as soon as it is required.
- Clean the waste sorting bins, when required.
- Wipe down tables and worktops.
- Clean the oven. If you have a glass hob – use a hob scraper, when required.
- Clean the microwave.
- Wipe down the outside of the oven.
- Wipe down the cooker hood.
- Wipe down the fridge and freezer.
(Note! Never use a sponge on the outside – it can cause scratches)
- Hoover and mop the floor.
- Clean the shared shower facilities.
(Only applies to Ulrikedal and Parentesen).
- Recover the deposit on bottles and cans.
